

**PRODUCT RECALL NOTICE**  
**URGENT**

**Date:** November 20, 2021

**To:** Kraft Heinz Customers

**From:** Cory Onell, President Kraft Heinz US Sales

**Re: EXPANDED RECALL NOTICE:** Additional Code Dates and SKUs for *Country Time* Lemonade and *Kool-Aid* powdered beverages, along with select *Tang* and *Arizona Tea* powdered beverages being voluntarily recalled

Following recent discussions with the FDA, Kraft Heinz is expanding the scope of its voluntary recall of select *Country Time* and *Kool-Aid* powdered beverages to include additional SKUs and “Best When Used By” dates of these products, as well as select *Tang* and *Arizona Tea* powdered beverages due to the potential presence of extremely small pieces of metal and glass that may have been introduced during production.

The company first discovered the issue during an internal review at the manufacturing facility and previously communicated a voluntary recall for the product that was potentially impacted on November 11, 2021. Out of an abundance of caution the Company is now choosing to expand the scope to include additional powdered beverages manufactured in the same facility during the same time period.

The products with “Best When Used By” dates included in this voluntary recall are noted in the table below.

**No other sizes, varieties or code dates of *Country Time* Lemonade, *Kool-Aid*, *Arizona Tea*, *Tang* or other powdered beverages, ready-to-drink beverages or Kraft Heinz products are included in this recall.**

Please review the below materials thoroughly and reach out to your Kraft Heinz representative with any questions.
